## **CAPE FEAR AREA N★C**

## **Veteran Application 2021 Flight**

**Honor Flight of the Cape Fear Area Inc.** recognizes America's war Veterans for their service and sacrifice by flying them all-expenses paid to Washington DC to see their memorials. This includes WW II Veterans, Korean War Veterans, Vietnam War Veterans, and Veterans of any conflict who may have a life limiting illness.

**VETERANS:** Before you sign up, here are some things you should know about Honor Flight of the Cape Fear Area. To be eligible for a flight you must:

1. Be Honorably Discharged from any of the 5 services: Air Force, Army, Coast Guard, Marines, and Navy.
2. Provide a copy of DD214 or other evidence of Honorable Discharge.
3. Service for any length of time prior to 1975. You do not have to have served in combat or even in theater.
4. Have no convictions for violence of any kind; no felony convictions; not a registered sex offender.
5. Provide a copy of your driver's license or other government-issued photo ID. REAL ID is required before the trip.
6. It is a VERY long day, beginning with arriving at the Wilmington International Airport (ILM) by approximately 5:00 AM and returning that same evening around 9:00 PM. If you are coming from a long distance you may want to consider obtaining local hotel accommodations. We can provide a list of hotels near the airport.
7. It is a VERY busy day with multiple stops through Washington, DC and Arlington, VA. You'll need to be able to walk to your seat on the plane and go up and down the stairs of the bus multiple times throughout the day. Your Guardians and others are there to assist you, but you still need to be able to make those steps. Only you can judge that.
8. Veterans who use any type of mobility equipment (cane, walker, crutches or wheelchair) will be assigned a wheelchair and Guardian to maneuver them throughout the day, no exceptions.
9. Personal walkers, crutches, and wheelchairs will be kept in a secure room at ILM until we return that evening. They are not allowed on the aircraft. You may bring your cane with you.
10. Any veteran needing oxygen will be provided with an oxygen concentrator for use throughout the day, completely free of charge. We require a prescription from your doctor not less than one month before the flight. The concentrator prescription must specify the rate of flow and what type of delivery system you need, whether it is by mask or cannula. Most O2 users use a cannula.
11. Neither spouses, nor significant others, are allowed to accompany their veteran. Other family members will be considered on a case by case basis.
12. There will be a Veterans' briefing and Meet and Greet event with your Guardian, a few weeks before the flight. At that session you will be issued all your gear for flight day, so it is important that you make every effort to attend. Advance notice of date, time and location will be provided.
13. The Honor Flight of the Cape Fear Area Board of Directors reserves the right to deny any application at the Board's discretion.

**If these conditions are acceptable to you we look forward to receiving your application for Honor Flight 2021.**
